Events are Happenin' at SLORRM

On Saturday, August 2nd, the Shutterfly Group came to the Museum for their photography tour. They saw the Museum, the La Condesa, and the Emily

Street yard. Here is a group photo they took before they left after their tour. They kindly sent us an email later that day to say what a good time they had with us, and we had fun with them, too!

But we have more fun coming up this month. August is only getting started, and we still have a Daisy Girl Scout Tour, the Central Coast ATHS Truck Tour, and our next open day on Saturday, August 23rd. Docents - remember we can always use an extra person on board. Or, if you can't make it in August, look at the September schedule. September 13th and September 27th could use a couple more hosts. Thanks for your help!

If you ever wonder what our esteemed Curation and Archives Committee is doing back in their Library, here is a current view of the room. All those boxes of loose materials that they started with are getting looked at, organized and filed on the shelves. Our goal is to have a comprehensive library of railroading on the Central

Coast. Thanks to our volunteers for their many hours of work.
