In 2014, folks from the Santa Maria Valley Railroad did a rail excursion from Paso Robles to Los Angeles and visited the Huntington Library while in the L.A. area. The [Friends of the Santa Maria Valley Railroad](#) intend to offer a similar excursion when post-COVID rules will allow.

HISTORY OF THE SLO RAILROAD MUSEUM
SATURDAY, MAY 8TH, 2021
10am PDT
Presenter: Brad LaRose

There are actually two histories here: the history of the Museum as an organization that goes back decades, and the history of the Museum building, originally a Southern Pacific Railroad Freighthouse, that goes back over a century! Join Brad LaRose as he shares images and stories from all that rich history. This will be our activity for the day that, but for COVID, would have been SLO Train Day, 2021, and would have been live and in person at the Museum.

For this session, video and audio are highly recommended in order to see the photos and graphics as well as hear the commentary.
